

# Play, Learn & Grow Workshops

Join us for a five-week series for parents and children ages 1 to 3. A 60-minute program each week offers opportunities for children to play with developmentally appropriate toys in a play group atmosphere and for parents to meet and question community experts in the areas of child development, speech and language, nutrition, play, movement and music. **Registration is for the series and is required. To register, visit [cuyahogalibrary.org](http://cuyahogalibrary.org) or call the host branch.**
